Dear Parent/ Guardian of a St. Ann Student,

Once again we invite you to invest in your child's future . . . strong development in faith and in academics. Our students receive solid education in the Catholic faith and an outstanding preparation for high school. Each year we have had students earn scholarships to area Catholic high schools based on their scores on entrance exams.

We are currently working on the budget and the tuition schedule. The goal is to maintain high quality education while minimizing the increase in real dollars for each family. We plan on formalizing the tuition schedule by February 10, 2010.

Our board has recommended two major changes in our tuition structure:

1. We are offering **both** a recruiting family **and** the new family a deduction of \$500! (Both families must keep current with tuition).
2. While we have used the actual cost per child for non-parish families as a tuition rate, we will use the parish rate plus \$500 per child. A one-child non-parishioner family will pay \$500 more. A two-child non-parishioner family will pay \$1,000 more, etc.

Important info regarding reregistration . . . deadline is March 15, 2010 for current families

- Families must be current with tuition to reregister
- We will hold spaces for currently enrolled students until March 15. After that, we will accept registrations for those seats.
- **The non-refundable registration fee is \$100.00 per child. The balance of the \$250 per child will be paid on tuition night.** As of April 1, 2010, the fee increases to \$200.00 per child.

Please complete the attached sheet by March 15, 2010, so we reserve a seat for your child(ren).

Sincerely,

Elizabeth L. Gard
Principal

Count us in for 2010!
